

A Letter From Apostle Henry B. Alexander

Dear Faithful Members,

Since its founding in 1981, Shield of Faith has been blessed to share the gospel with thousands who submitted their lives to the Lord and were born again. Forty-Three years later, Shield of Faith is still a ministry where we Encourage, Equip, and Empower believers. We now look to the future of our church in Rancho Cucamonga to meet the challenges of ministry to a generation that needs Jesus now more than ever.

As we approach the completion of our new church home, I am overwhelmed with gratitude for your steadfast faith and unwavering commitment throughout this process. I recognize that this journey has not been without its challenges, yet together, we have persevered, showing patience and trust in God's plan. Your sacrifices over the years have laid the foundation for this vision and now we stand at the final stretch. With \$215,000 left to raise we are in the last lap in our race from **Vision to Victory**. Your continued generosity will bring us closer to worshipping together in a space that reflects God's glory and fulfills His purpose.

Please give prayerful consideration to join us in bringing this vision to full fruition. Together, we can finish strong, creating a church that is an inviting place to worship the Lord, and serves our community for generations to come.

A servant of Jesus Christ,
